

Can you do an EIA in a day? London

Are you struggling to get your head around Equality Impact Assessments ?

Equality Impact Assessments present challenges for many organisations and for those tasked with carrying them out. At the end of this interactive day you will take away with you completed EIAs from various organisations and you be well on the way to completing one of your own!

The Housing Diversity Network and Places for People are teaming up again up to host another practical event for up to 20 people. Each delegate can select which EIA they would like to develop from our priority list. Delegates will work in small groups, supported by experienced facilitators and will work on an EIA which considers the impact on all 6 equality strands.

To book your place contact beth@housingdiversitynetwork.co.uk or call 0870 1432732.

Facilitators:

Places for People: Jon Prashar, Group Head of Diversity Marketing, Pamela Brown – Equality & Diversity Change Manager, Jacq Furness — Learning and Development Manager, Delroy Marshall — Housing Services Manager
