

From Katie at the National Housing Federation

Hi all

Thank you so much for your time at today's HDN Board session. It was so nice to meet you all and to have the opportunity to share some of the National Housing Federation's work with you.

As I mentioned, we at the NHF try to do everything we can to support board members in their roles. In practice, that includes a [quarterly board member bulletin](#), a plethora of [webinars and events](#) on key topics as well as briefing papers and [our conference](#), on Board Excellence which takes place virtually in January.

To learn more about all of these, please visit our website www.housing.org.uk and register. After that, you'll get access to heaps of member only content including all our recordings of webinars and briefing sessions. These include specific sessions on the Social Housing White Paper, Together with Tenants, building safety for boards and the Governance Code.

Please do get in touch if you'd like to discuss any of this in more detail.

All the best and merry Christmas!

Katie
