So, watch out for further updates on the launch of our coaching offer, and don't hesitate to get in touch with us for a journey towards discovering and achieving your true potential.

Attention Potential Mentors!

Join us as a mentor for the Staff Mentoring Programme Winter Cohort! We're on the lookout for individuals with managerial experience or higher to provide guidance to those outside of their organisation for roughly 5 hours over a 9-month period.

Although registration for mentees doesn't start until November, we're already scouting out mentors. Why, you may ask? Mentors tend to be harder to get hold of than mentees.

Don't worry if you've never been a mentor before – we offer a plethora of training and support. You'll receive mentor skills training, access to action learning sets, various resources, and the chance to connect with other mentors.

For more information on how to become a mentor please visit our website here: <https://www.housingdiversitynetwork.co.uk/becoming-a-mentor>

Leeds you were Great!

Last week, we held a fantastic Networking Mixer event at Revolucion de Cuba Leeds. It was a memorable experience as we were able to meet some of our new mentees on our Mentoring Programme.

The atmosphere at Revolucion de Cuba Leeds was electric as everyone enjoyed their favourite drinks while networking and mingling with new and familiar faces. We were all excited to connect and engage with each other.

Overall, it was a great evening and we are grateful for the opportunity to connect with new and old faces alike. Thank you to all who attended and we hope to see you at our next event.
