

Job profile

Job title: Project Manager (Warm Homes)	Responsible to: Investment Delivery Manager
Salary grade: J (up to £42,339, dependent on experience)	Contracted Hours: 37
Responsible for: Project Management Higher Apprentice; Assistant QS	Behaviour level: 2 - Managers

Purpose of the job:

This role is primarily for the project management of the Warm Homes: Social Housing Fund energy efficiency programme. Including overseeing the installation of energy efficiency measures to domestic properties across the South Lakes region.

As Project Manager, you will be responsible for all Project Management activities, from inception to completion, in the delivery of Solar PV, External & internal wall Insulation and other energy efficient measures. You will also be responsible for the management and delivery of our cyclical maintenance programme and will drive a 'Customer First' focussed approach through all our services.

You will actively manage the delivery of services via contractors, in accordance with Key Performance Indicators, and will ensure that all works are delivered on time, to budget and in a safe and compliant manner.

Key accountabilities:

1. To be accountable for the contract administration and performance management of contractors delivering annual programmes of cyclical and improvement works, in a Customer First manner that achieves high levels of customer satisfaction.
2. To communicate and collaborate effectively and efficiently with colleagues across the business about planned and ongoing works affecting customers in their homes and communities.
3. To develop, update, and circulate performance management reports to the Investment Delivery Manager and Departmental Management Team, highlighting areas of concern and commentary to explain variances.
4. To communicate with customers in an effective and timely way about planned works in their homes and communities and providing appropriate updates throughout the works process.

5. To resolve complaints and queries within policy targets and achieve high levels of customer satisfaction.
6. To be a proactive member of the SLH team; continually seeking to improve outcomes and develop your own skills and the performance of the team. You will seek to improve processes and ensure value for money.
7. To ensure that Health, Wellbeing and Safety policies and procedures are embedded and adhered to, to deliver effective and safe services and operations.
8. To promote Equality, Diversity and Inclusion and ensure you and colleagues work in accordance with the legislative and regulatory requirements at all times.
9. To ensure that SLH data is collected, safely and appropriately managed, reported accurately and produced in a timely fashion to aid sound decision making and that appropriate procedures, systems and processes are in place to ensure data quality and security.
